

– FARE FREE FAIR WEEK IS BACK – LOCAL FIXED ROUTES & DIAL-A-RIDE SERVICE FARE FREE JUNE 20th – 25th

In cooperation with the Yuba-Sutter Fair, no fares will be charged on any of Yuba-Sutter Transit's local fixed route or Dial-A-Ride buses during the entire fair week of Monday, June 20th through Saturday, June 25th. To replace the lost revenue, this event is again being funded through a state grant to promote transit ridership.

No special tickets or passes are needed as all local fixed route and Dial-A-Ride passengers will simply board the bus free of charge all week. Of course, all service eligibility and passenger policies will still apply, and fares will continue to be charged on all rural and Sacramento routes. Call (530) 742-2877 for more information.

DO YOU HAVE AN EXPIRED CONNECT CARD?

Discount photo-identification Connect Cards are typically issued for five years, and many are now beginning to expire and need to be replaced. Discount card holders (youth, seniors, and persons with disabilities) should regularly check the expiration date on their card (see example above) to see if it is approaching or has already passed. If so, bring your card to our administrative office during normal business hours where we will confirm your current information and issue you a new card (with a new picture) at no cost.

For Connect Card questions, please contact the Administrative Office at (530) 634-6880 or by email at info@yubasuttertransit.com.

SERVICE ANIMAL POLICY REQUIRES DISPLAY OF VALID DOG LICENSE

To address the health and safety concerns of passengers and bus drivers regarding the transportation of suspected unlicensed and unvaccinated dogs, Yuba-Sutter Transit adopted a policy in 2013 that all dogs must be vaccinated, licensed, and wearing proper tags pursuant to State Law and local ordinances. This provision of Yuba-Sutter Transit's Service Animal and Pet Policy applies whether the dog is a service animal or not.

California law and local ordinances require that all dogs by the age of four months be vaccinated for rabies. Local ordinances further require that by the same age they be licensed and at all times wear the proper identification tags as proof of licensing. Depending on the jurisdiction, violation of these provisions is an infraction punishable by a fine of up to \$500 per dog, per incident.

Even properly licensed animals are still prohibited from all Yuba-Sutter Transit buses with two exceptions: 1) It is a guide, service, or signal dog that has been specially trained to assist persons with disabilities and is on a leash or under the control of the person transporting it; or, 2) It is in a completely enclosed and secured cage or carrying case and small enough to fit on the person's lap. In either case, it must not misbehave, endanger, or otherwise annoy other passengers.

As a reminder, service animals are specifically trained to work or perform tasks for persons with disabilities including guiding individuals with impaired vision, alerting individuals with impaired hearing to sounds, providing minimal protection or rescue work, pulling a wheelchair, or fetching dropped items. Federal Department of Transportation regulations do not recognize companion, therapy, or comfort animals as service animals. If unsure that a dog performs a service function, the bus driver may ask the passenger what tasks the animal has been trained to perform. Service animals are not required to have a special certificate or license nor wear any special identifying vest or tag other than what is required while in public.

Service animals must be under the constant supervision and control of its owner. If it misbehaves, the passenger will be asked to remove his or her animal from the bus. If there are multiple occurrences of misbehavior, the animal's boarding privileges may be revoked. Examples of misbehavior include soiling the bus or growling at or harassing passengers, bus drivers, or other service animals.

Yuba-Sutter Transit's service animal policy is included as part of our Passenger Policies & Procedures that are available in both English and Spanish translations from the Customer Services tab on our website at www.yubasuttertransit.com.
