

PUBLIC HEARING SET FOR SEPTEMBER 19th ON PROPOSED FARE AND LOCAL SERVICE CHANGES

The Yuba-Sutter Transit Board of Directors has set a public hearing for Thursday, September 19, 2024, at 4:00 p.m. to accept comments on proposed local route and fare changes that if approved, will become effective on or after January 1, 2025. The hearing will be part of the regular Board meeting held in the Supervisor's Chambers in the Yuba County Government Center at 915 Eighth Street in Marysville.

As part of the NextGen Transit Plan Phase 1 implementation, these proposed local service changes include the launch of the first on-demand service zone in Yuba City to replace Routes 2 and 5, a streamlined crosstown Route 1 from Yuba City to Yuba College in Linda, extension of weekday evening service hours for local fixed Routes 1, 3, 4 and 6, and elimination of the underutilized weekday evening Dial-A-Ride service.

Along with the proposed local service changes, proposed fare changes include an increase to the daily cap amount for one-way local route fares, an increase to monthly local route pass prices, and the introduction of a basic and discounted one-way fare for the new on-demand service. For more information on the proposed changes, please visit www.yubasuttertransit.com or call (530) 634-6880.

Interested persons may submit comments regarding the proposed local route and fare changes, either verbally or in writing, before or at the public hearing on September 19, 2024. To submit a comment online, please use the following links or visit our project webpage to take the online survey.
