

## MEMORANDUM

TO: All Yuba-Sutter Transit Passengers  
From: Keith Martin, Transit Manager  
RE: COVID-19 Response Update – Temporary Service Reductions Effective May 1<sup>st</sup>  
Date: April 24, 2020

Yuba-Sutter Transit, along with our service contractor, Storer Transit Systems, remains committed to protecting the health and safety of both our passengers and personnel. In response to significant reductions in ridership and to minimize the exposure of our operating staff, the following temporary service reductions will become effective on Friday, May 1, 2020.

- **Weekday Route 2 Service to be Reduced to a Saturday Plus Schedule.** Effective May 1<sup>st</sup>, Route 2 will be temporarily reduced from half-hour to hourly service frequencies in both directions (Clockwise and Counter-Clockwise). While this reduced frequency is the same as what is now offered by Route 2 on Saturdays, the weekday service will continue to operate a full-service day starting around 6:20 a.m. and ending around 6:20 p.m. [\[Link to modified Weekday Route 2 timetable\]](#)
- **Sacramento Commuter Service to be Reduced by Three AM and Three PM Schedules.** Effective May 1<sup>st</sup>, the 3<sup>rd</sup> and 5<sup>th</sup> Highway 99 schedules in the morning; the 2<sup>nd</sup> and 5<sup>th</sup> Highway 99 schedules in the afternoon; and the 3<sup>rd</sup> morning and 3<sup>rd</sup> afternoon Highway 70 schedules will all be temporarily suspended. Yuba-Sutter Transit continues to be for essential travel and activities only. All passengers must have a destination and passengers will not be allowed to travel more than one direction or one loop without exiting the bus to complete their essential trip purpose. In addition, we strongly recommend that passengers wear cloth face coverings in public settings and practice “Social Distancing” to the extent possible at all times.
